

DRMD Best Practice (v1.0)

16.4 Auditor Checklist

A. Governance & Accountability

- ☐ Document Status: titleOfTheDocument correctly distinguishes CRM vs PIS.
- ☐ Unique Identification: Presence of a mandatory uniqueIdentifier (UUID).
- ☐ Responsible Persons: respPersons list identifies who prepared, reviewed, and authorized.
- ☐ Role Authorization: Specific roles are assigned to satisfy governance.
- ☐ Electronic Signature Flags: Check cryptographic capability flags.

B. Traceability & Measurement Quality

- ☐ Certified vs. Informative: Certified values explicitly distinguished.
- ☐ Metrological Traceability: Narrative confirms chain to SI.
